Experience

Bookstore System Development

Group Member

Aug 2023 - Oct 2023

Developed a bookstore system for client to add books into the system, and checking remaining stocks. The system can also allow customer to search for books.

Poi Lam High School (SUWA)

Librarian

2018 - 2019

As a librarian, I manage, organise, and maintain the library's collection of books, digital resources, and other materials, ensuring they are easily accessible to users.
